PROFESSIONAL SUMMARY

Senior Frontend Engineer with 10+ years of experience delivering modern web applications. React developer since 2019, with 3 years of hands-on experience in Next.js and TypeScript. Experienced mentoring developers and working with international teams across North America and Europe in fully remote environments.

PROFESSIONAL EXPERIENCE

Senior Frontend Engineer — CI&T

Sep 2023 – Jan 2026, Campinas, BR, ciandt.com

- Maintained a billing platform using React and TypeScript for one of the UK's largest gas and energy suppliers, helping reduce billing-related support tickets by 30%.
- Mentored junior developers through code reviews, pair programming, and recurring 1:1 sessions.
- Contributed to a large-scale microfrontend automotive dealership platform in USA using Next.js, TypeScript, and React Testing Library.

Senior Frontend Engineer — GNAR LLC

Apr 2020 – Aug 2023, San Francisco, CA, gnar.io

- Built frontend solutions for an SPA B2B platform focused on intermodal terminal services using React.
- Introduced Redux Toolkit and improved maintainability of frontend/backend communication.
- Led styled-components adoption across the entire application.
- Promoted from mid-level engineer to senior level.

Frontend Engineer — LOOCAL DELIVERY

May 2019 – Apr 2020, Santos, BR, loocaldelivery.com.br

- First time experience with React library in a fast startup environment.
- Enhanced frontend and mobile applications using both React Web and React Native.

Frontend Engineer — YBOH

Sep 2017 – Apr 2019, Santos, BR, yboh.com.br

- Improved and maintained frontend applications using AngularJS.

Founder & Fullstack Engineer — HRTBOX

Aug 2015 – May 2018, Santos, BR

- Built a fullstack product platform which was successfully acquired in 2018 by YBOH.

EDUCATION

- Bachelor's Degree in Systems Analysis and Development — FATEC Rubens Lara, 2013–2016 — Santos, BR
- Technical Certificate in Software Development — ETEC Dr^a Ruth Cardoso, 2011–2012 — São Vicente, BR

LANGUAGES

- Portuguese (BR) — Native
- English — Advanced (B2)
